

# Foxdale Village Parking Options

**Welcome!** When you visit or attend an event on our campus there are several parking areas. Foxdale is located at 500 East Marylyn Avenue, just off of University Drive extension. The Community Building, where most events are held, is located directly across the street from the Courtyard by Marriott.

## Parking Areas:

- 1 Lot in front of the Community Building or along Marylyn Avenue. Use Entrance A.
- 2 Garage/Deck at the end of Marylyn Avenue. Lower level, use Entrance A or B. Upper level use Entrance B. Please use visitor spaces if parking on the lower level.

*Overflow is sometimes permitted at the Ramada during larger events (please check with event organizers).*

## Building Entry Options:

**A Main Entrance.** Please enter the Community Building through the center, sliding glass doors (facing the Marriott). Please see the receptionist, event greeter, or signs for directions to the room where your event is being held.

Those coming from the lower level parking garage are invited to walk out to Marylyn Avenue, turn right, and walk down to the Community Building.

*Or you may walk up the outside stairs at the end of the garage (nearest to the apartment building and on the right) and follow the instructions below.*

**B Back Entrance.** If coming from the upper deck, please turn left and walk down the sidewalk that parallels the apartment building until you see the covered walkway. Turn left and enter through the sliding glass doors at the end of that walkway. You will arrive on the first floor (middle level) of the Community Building.
